

**Dear Parishioners,**

Our parish school has received many inquiries the last few years about a pre-school program. Our school staff, School Advisory Council, Administrative Council and Pastoral Planning Council is striving to keep Holy Trinity a thriving, quality, Catholic school. We feel adding a pre-school will serve our parishioners and our community well and help build the future of our church and school. We are currently in the process of gathering as much information as possible in order to move forward. Our research also includes finding a classroom for the pre-school, since space is limited. At this point, we do not know when the pre-school would open. Would you please take a few minutes to fill out this survey for us?
