

# GREETINGS FROM FR. DAVE

frdave@h-t.org

Ahhhh, we definitely had some summer weather last week! That will boost the ripening of the tomatoes! The number of cars in our parking lot all week long is a sure sign that summer is winding down and school is coming soon. I had no less than three of our school children tell me they are ready for school to begin. I doubt they would admit that to their peers!

As you can see, we have the tabernacle in its new location in the church. As mentioned in the bulletin several times, and from the pulpit, we have done this to foster appropriate reverence to the Blessed Sacrament. Liturgical norms ask that the tabernacle be placed in a prominent location where devotion and reverence can be made to the Real Presence of our Lord Jesus Christ. After consulting with the architect of our church and our liturgy committee this seemed to be the best way to go. **Please know that it is now appropriate to genuflect (or bow if you cannot genuflect) before entering your pew when you come into church, and after leaving your pew upon departing church.** No additional genuflections are necessary.

Good news! Janet Chvatal has scheduled her 4<sup>th</sup> annual concert here at Holy Trinity for October 29<sup>th</sup>! She and Marc are professional singers from Bavaria and have been making this exclusive appearance as a benefit for our school music program, from which she is an alum. Mark your calendars for a real treat. More information and tickets will be coming soon.

Our annual **parish picnic** is coming up the Sunday after Labor Day (September 12) following the 11:15am mass. This is our parish celebration of ending a fine summer and transitioning into the school year. Food and help signup sheets will be in the back of the church the next two weekends. Mark your calendars and join together for a fun and relaxing time!

This week funeral services were held for Teddy Weinecke. May his soul and all the souls of the faithful departed rest in peace.

The following children were baptized: Megan Oloteo Ivey, Grace Vivian Lucas, Sophia Rosemarie Perry, Devin Matthew Bui, Aiden Nicolas Hanks, Jordana Angelina Lino. Congratulations!

## HEALTH MINISTRY NEWS

### Risk Factors for Stroke: Am I at risk?

Anyone can have a stroke no matter your age, race or gender. But, the chances of having a stroke increase if a person has certain risk factors, or criteria that can cause a stroke. The good news is that up to 80 percent of strokes can be prevented, and the best way to protect yourself and loved ones from stroke is to understand personal risk and how to manage it.

There are 2 types of risk factors for stroke: controllable and uncontrollable. Controllable risk factors generally fall into two categories:

- Lifestyle risk factors or
- Medical risk factors.

See our website [www.h-t.org](http://www.h-t.org) News/Updates link for complete article. *Next week* **DIAGNOSING DIABETES**.
